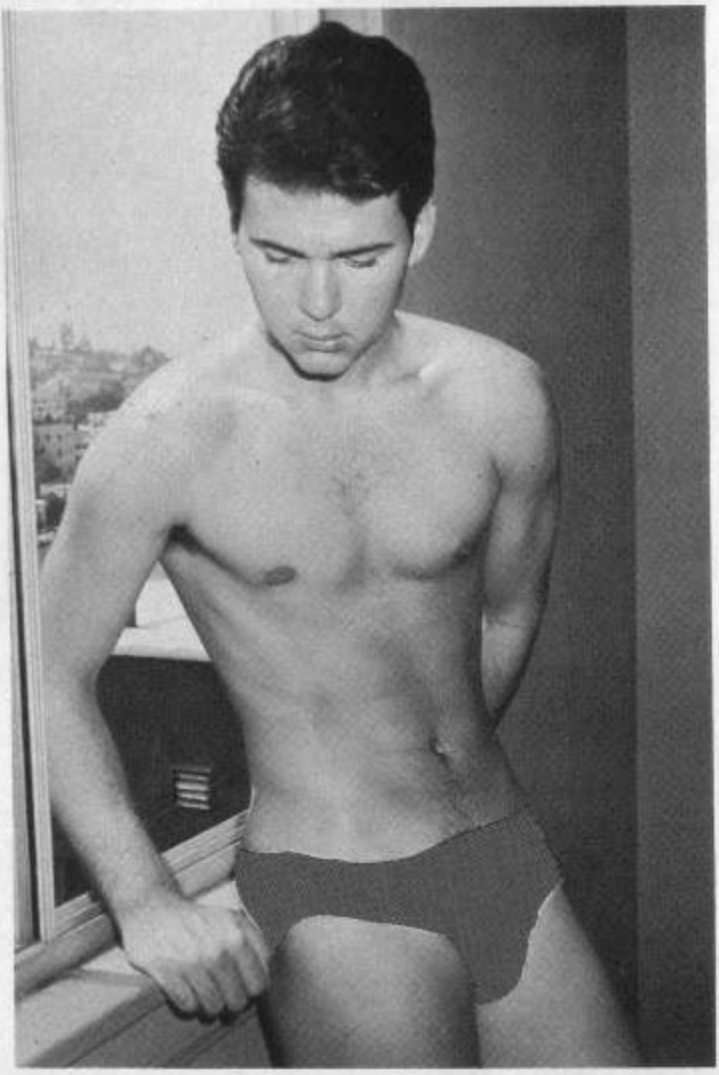
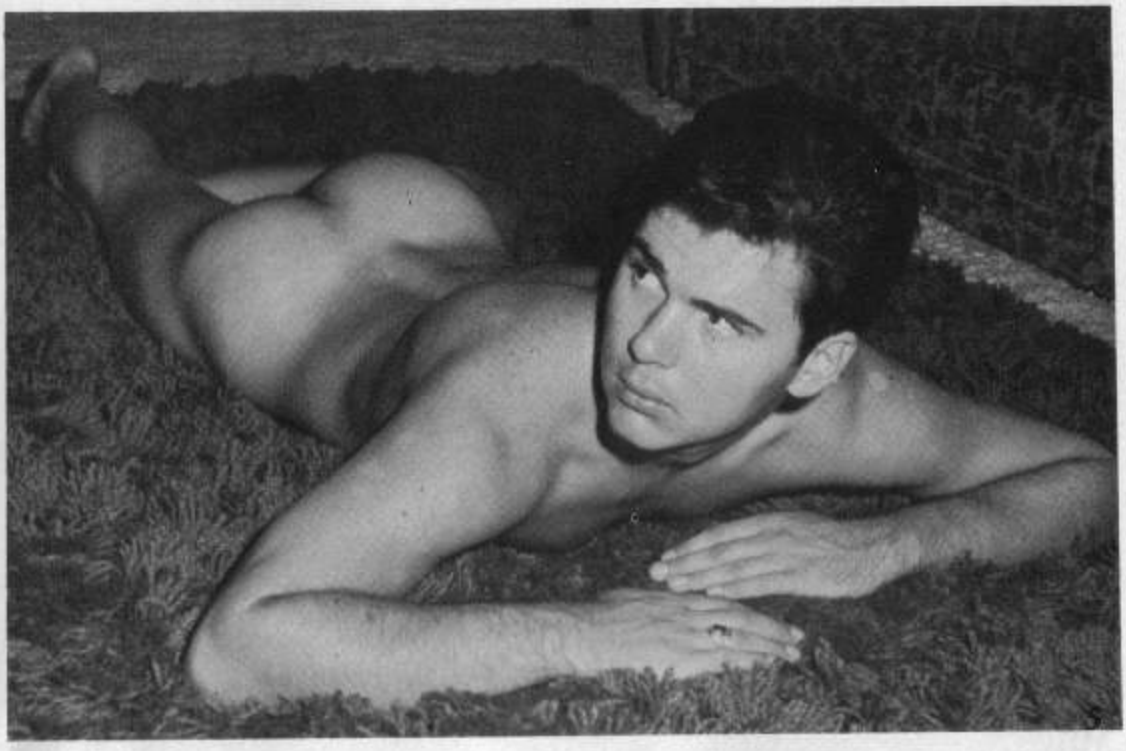
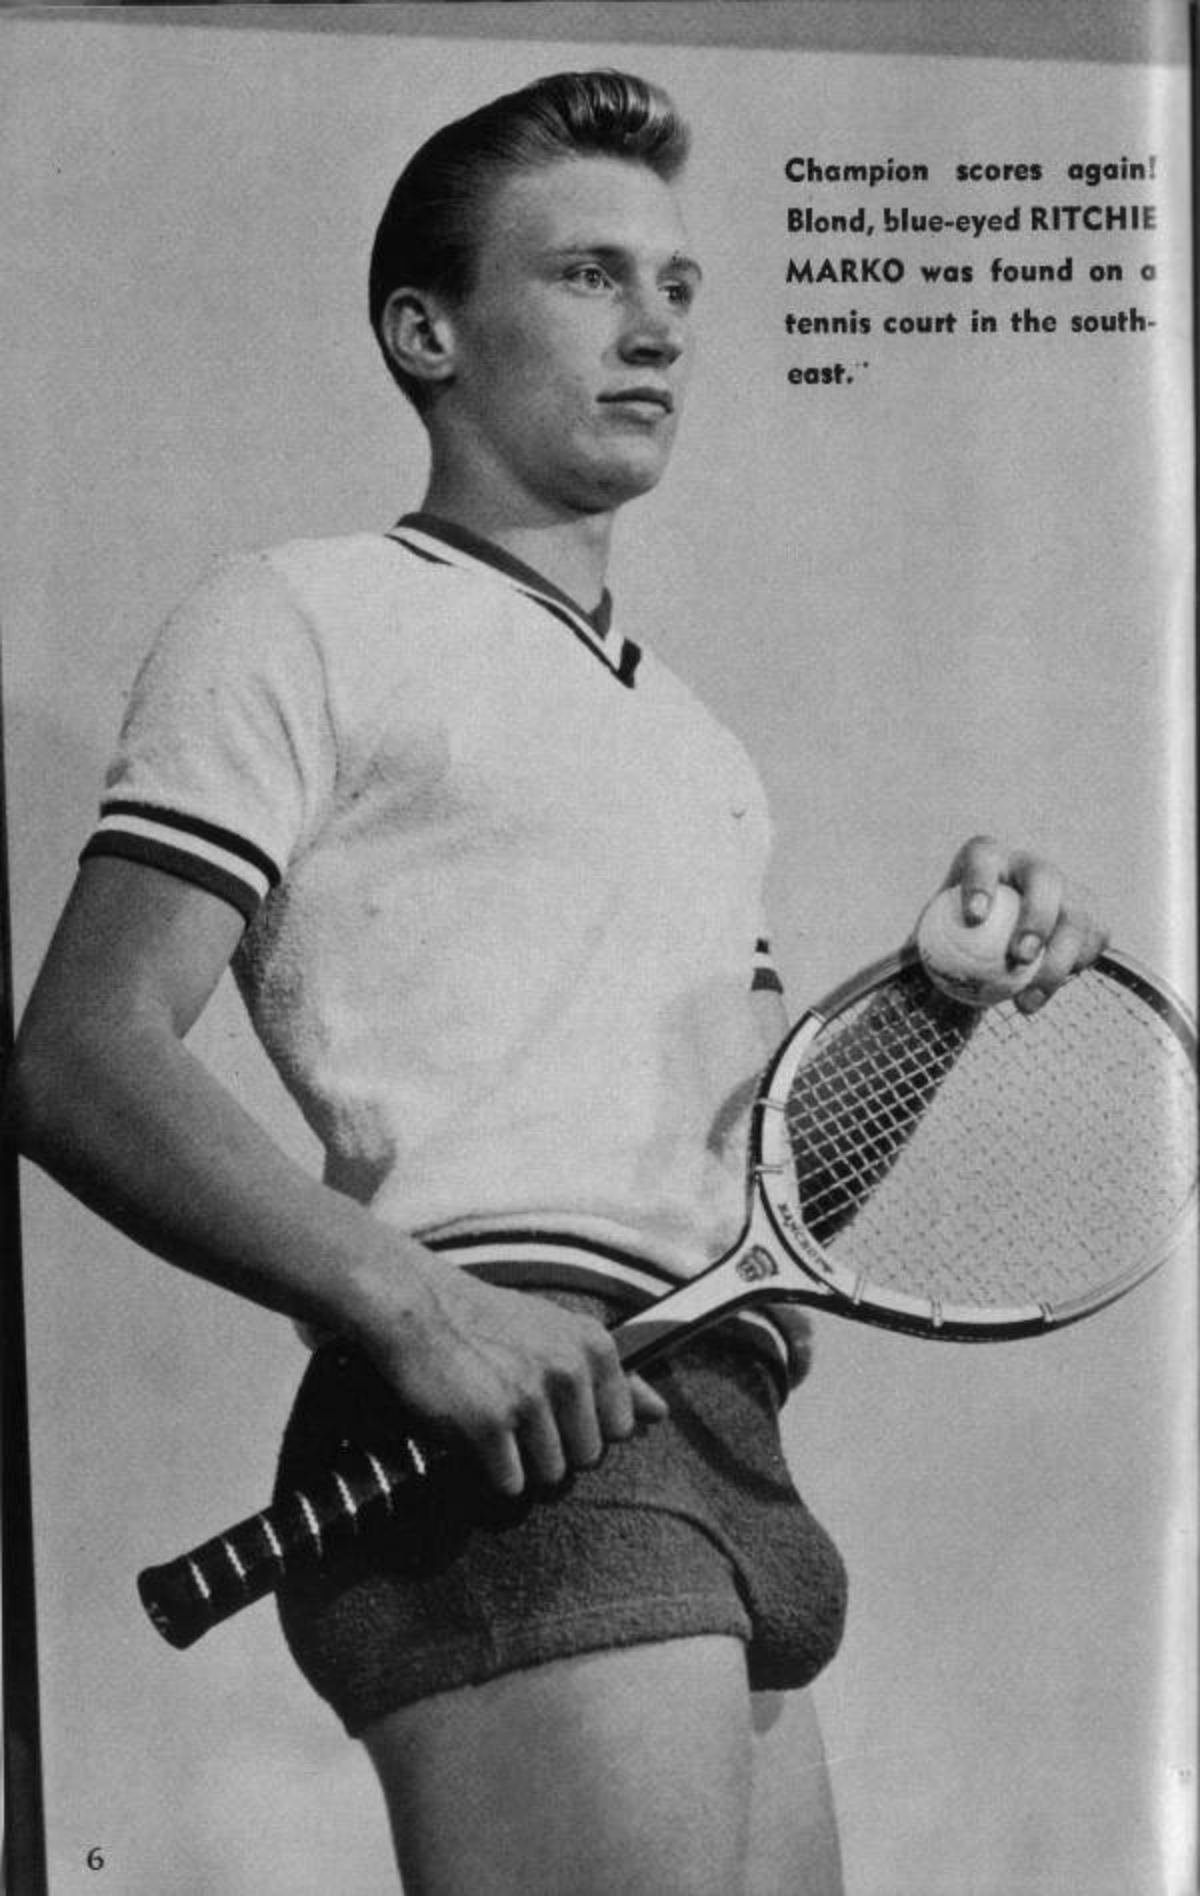
LEE GAYNOR is a football hero! Working out on the barbells has improved his already terrific maneuvers on the playing field.

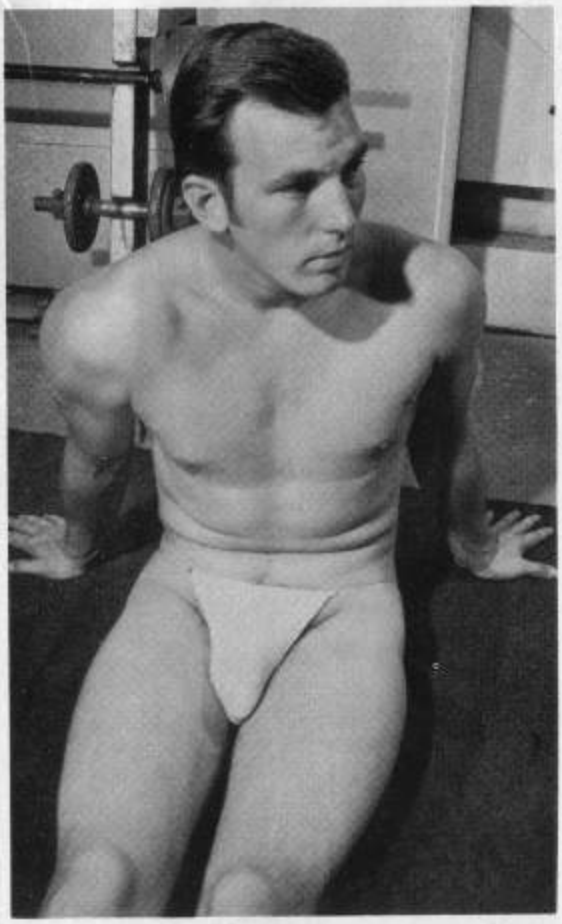


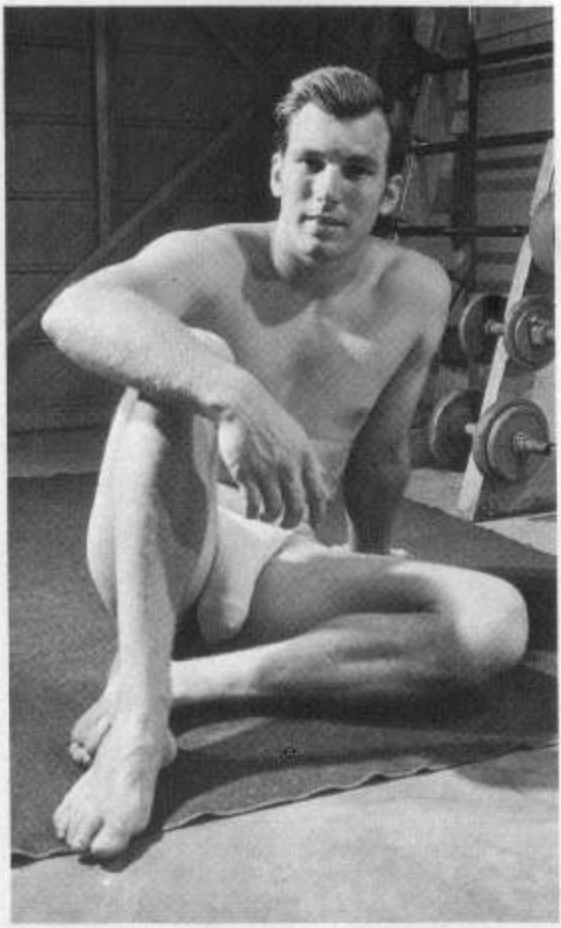


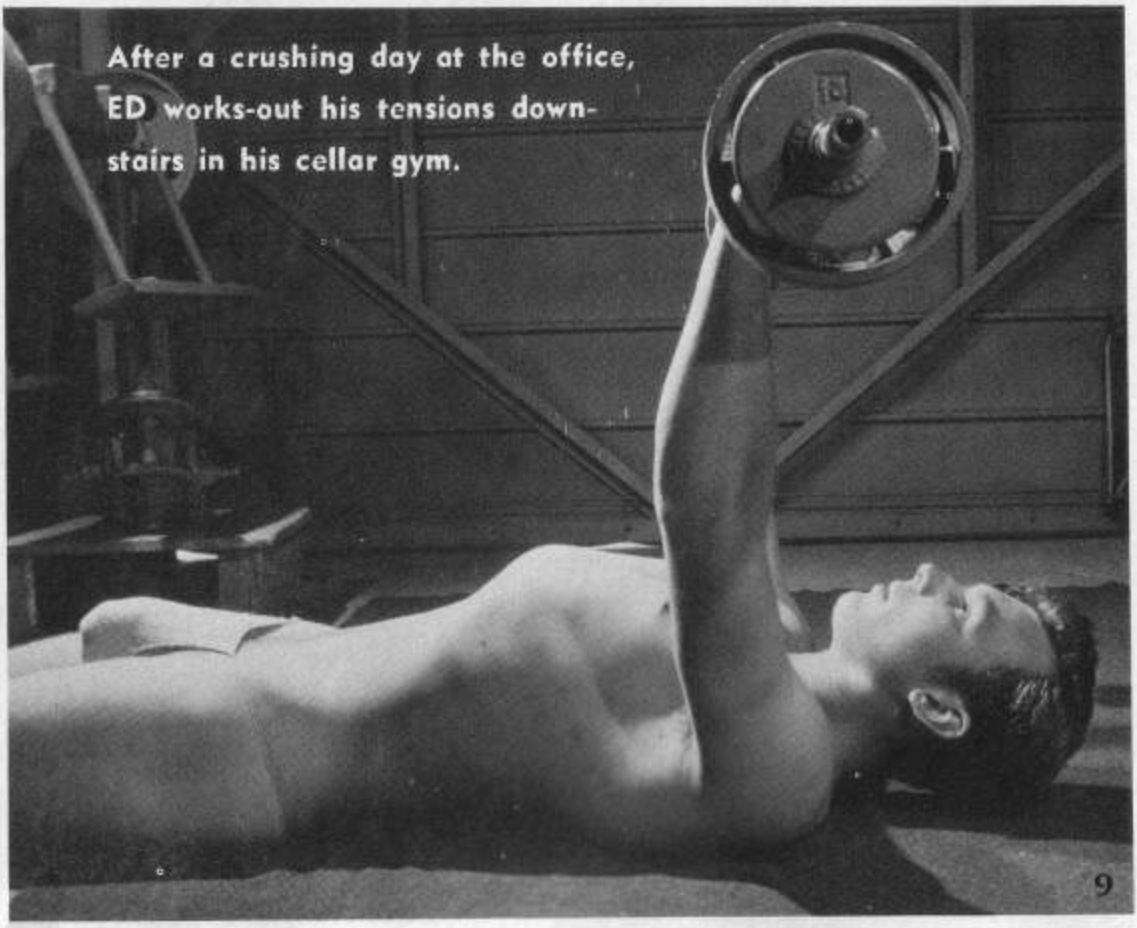


Champion scores again! Blond, blue-eyed RITCHIE MARKO was found on a tennis court in the south-east.

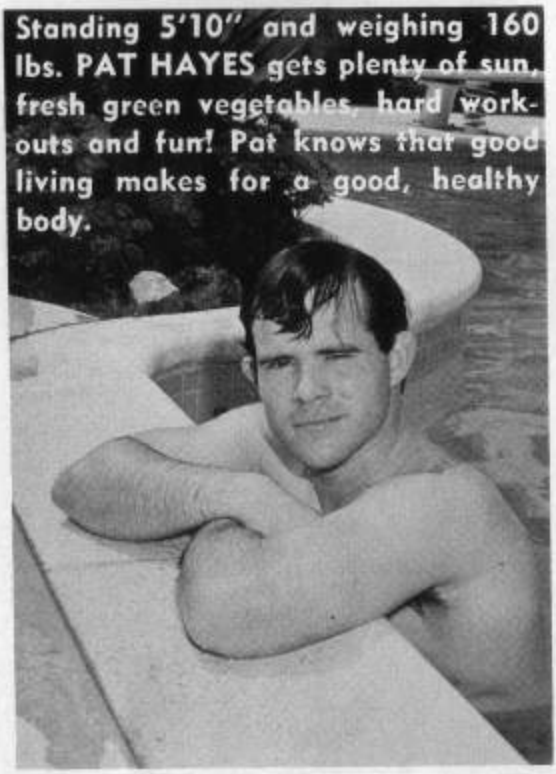
The Marines have taught ED TURNER the qualities of leadership. He says that swimming is the greatest way to keep in shape.



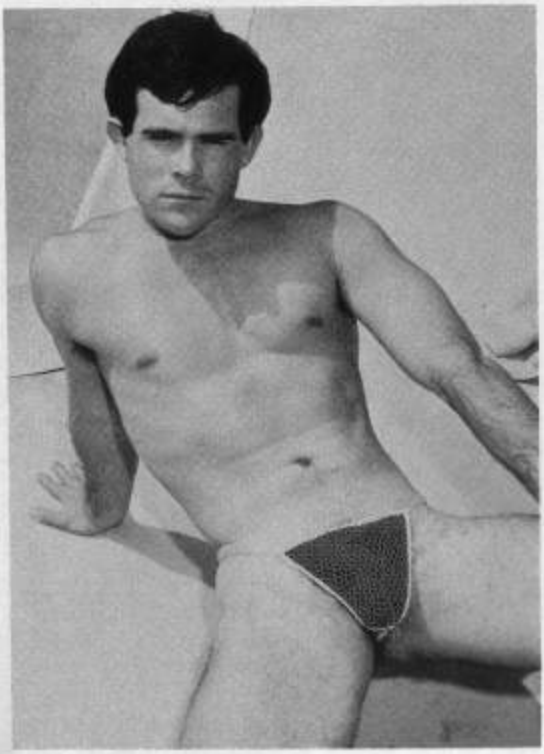




After a crushing day at the office, ED works-out his tensions down-stairs in his cellar gym.



Standing 5'10" and weighing 160 lbs. PAT HAYES gets plenty of sun, fresh green vegetables, hard work-outs and fun! Pat knows that good living makes for a good, healthy body.



BORN HANSEN at 22 is looking forward to his first trip around the world. Young and Danish, Born ships out on Norwegian ships which cross the Atlantic.

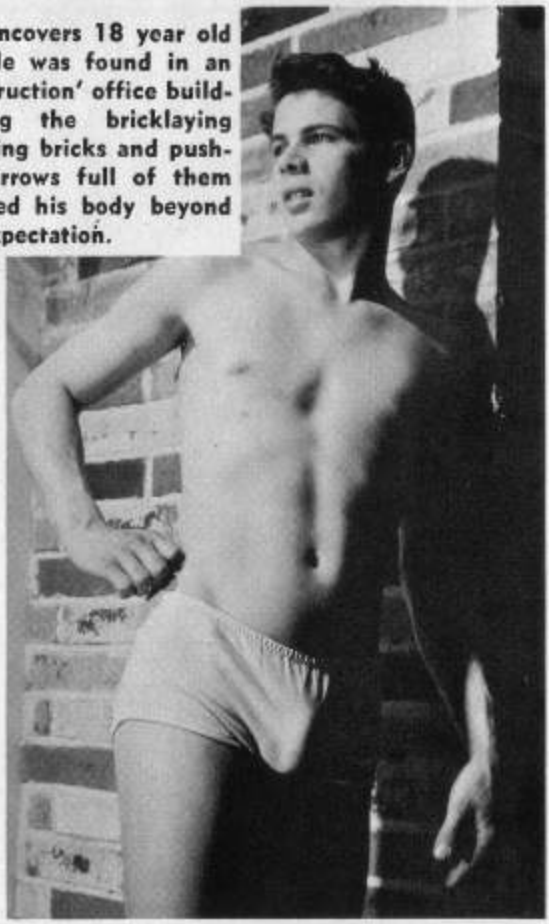
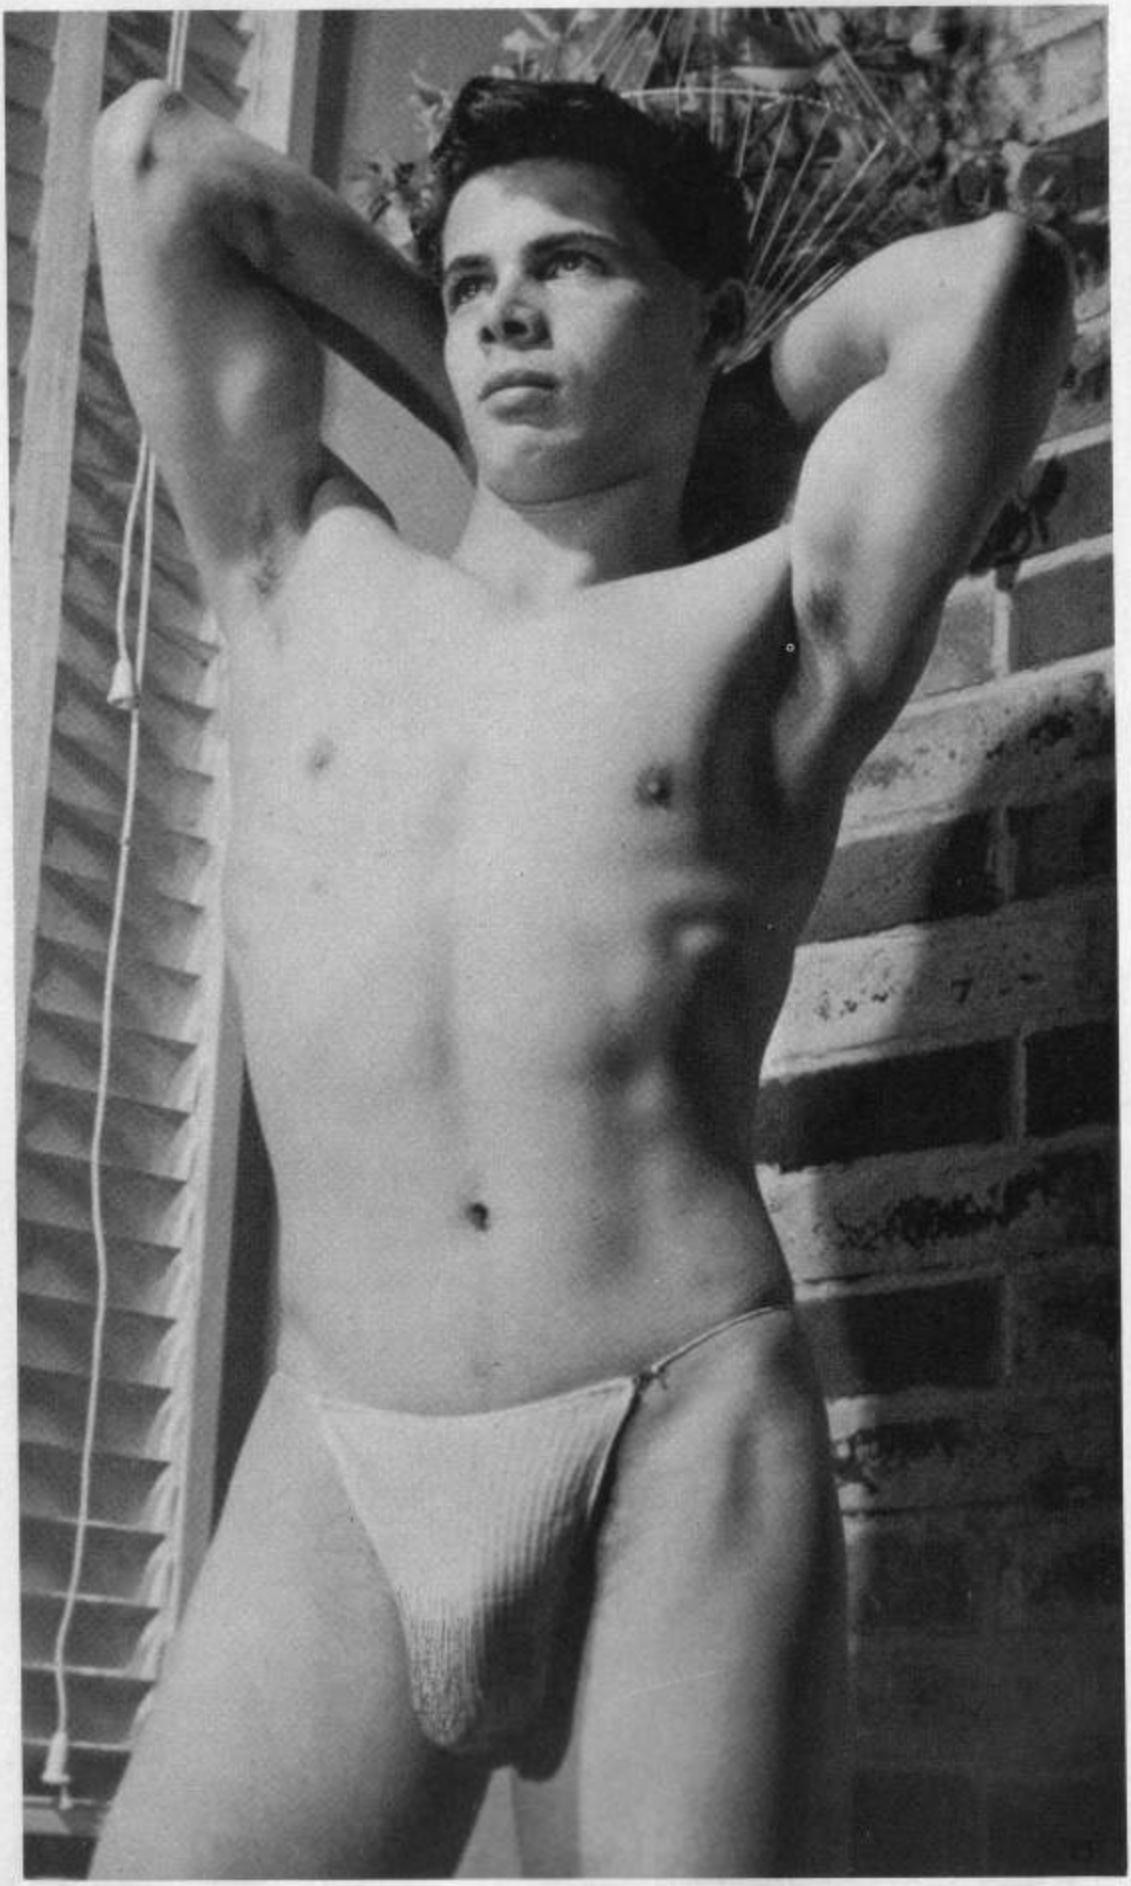
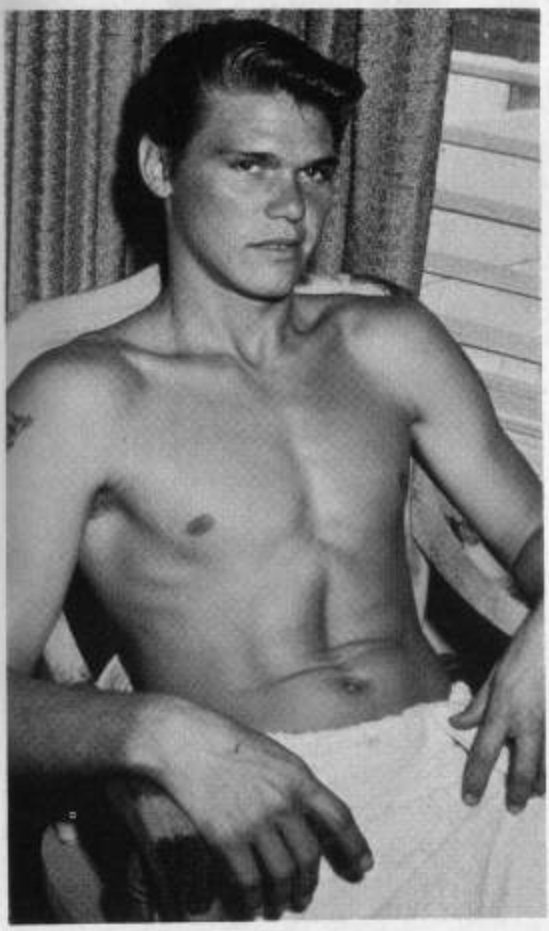
Champion uncovers 18 year old JOE DIO. He was found in an 'under construction' office building learning the bricklaying trade. Carrying bricks and pushing wheelbarrows full of them has developed his body beyond his every expectation.

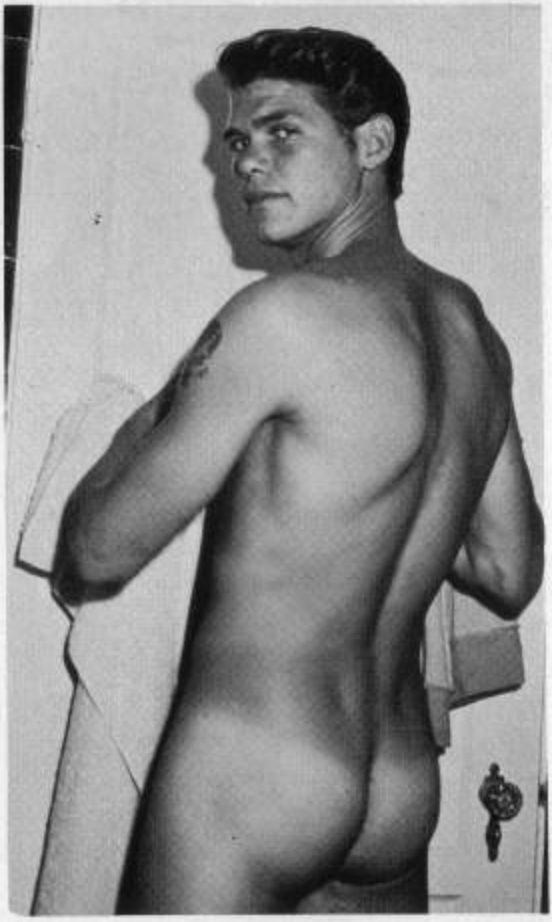


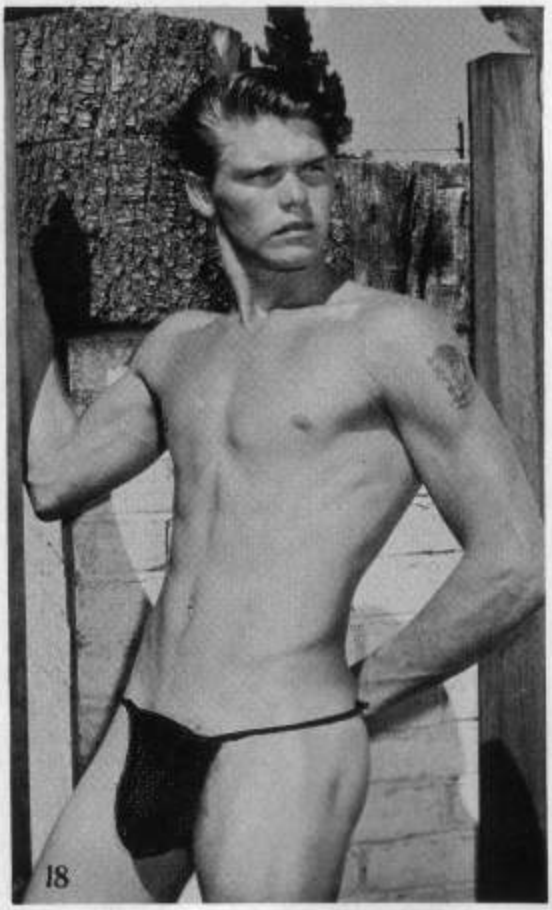


Another new find from Champion's sharp camera eye is WALLY McCRAY, a 19 year old student at a midwest university. Wally practices swimming first thing in the morning so that he'll keep his top ranking on the varsity team.

WALLY McCRAY by Champion







Here is BUTCH PIERCE, a young 20 year old. Butch is a nudist in his native California. Butch is typical of so many young men in this generation who have realized that Nudism offers the quickest route to Nature.

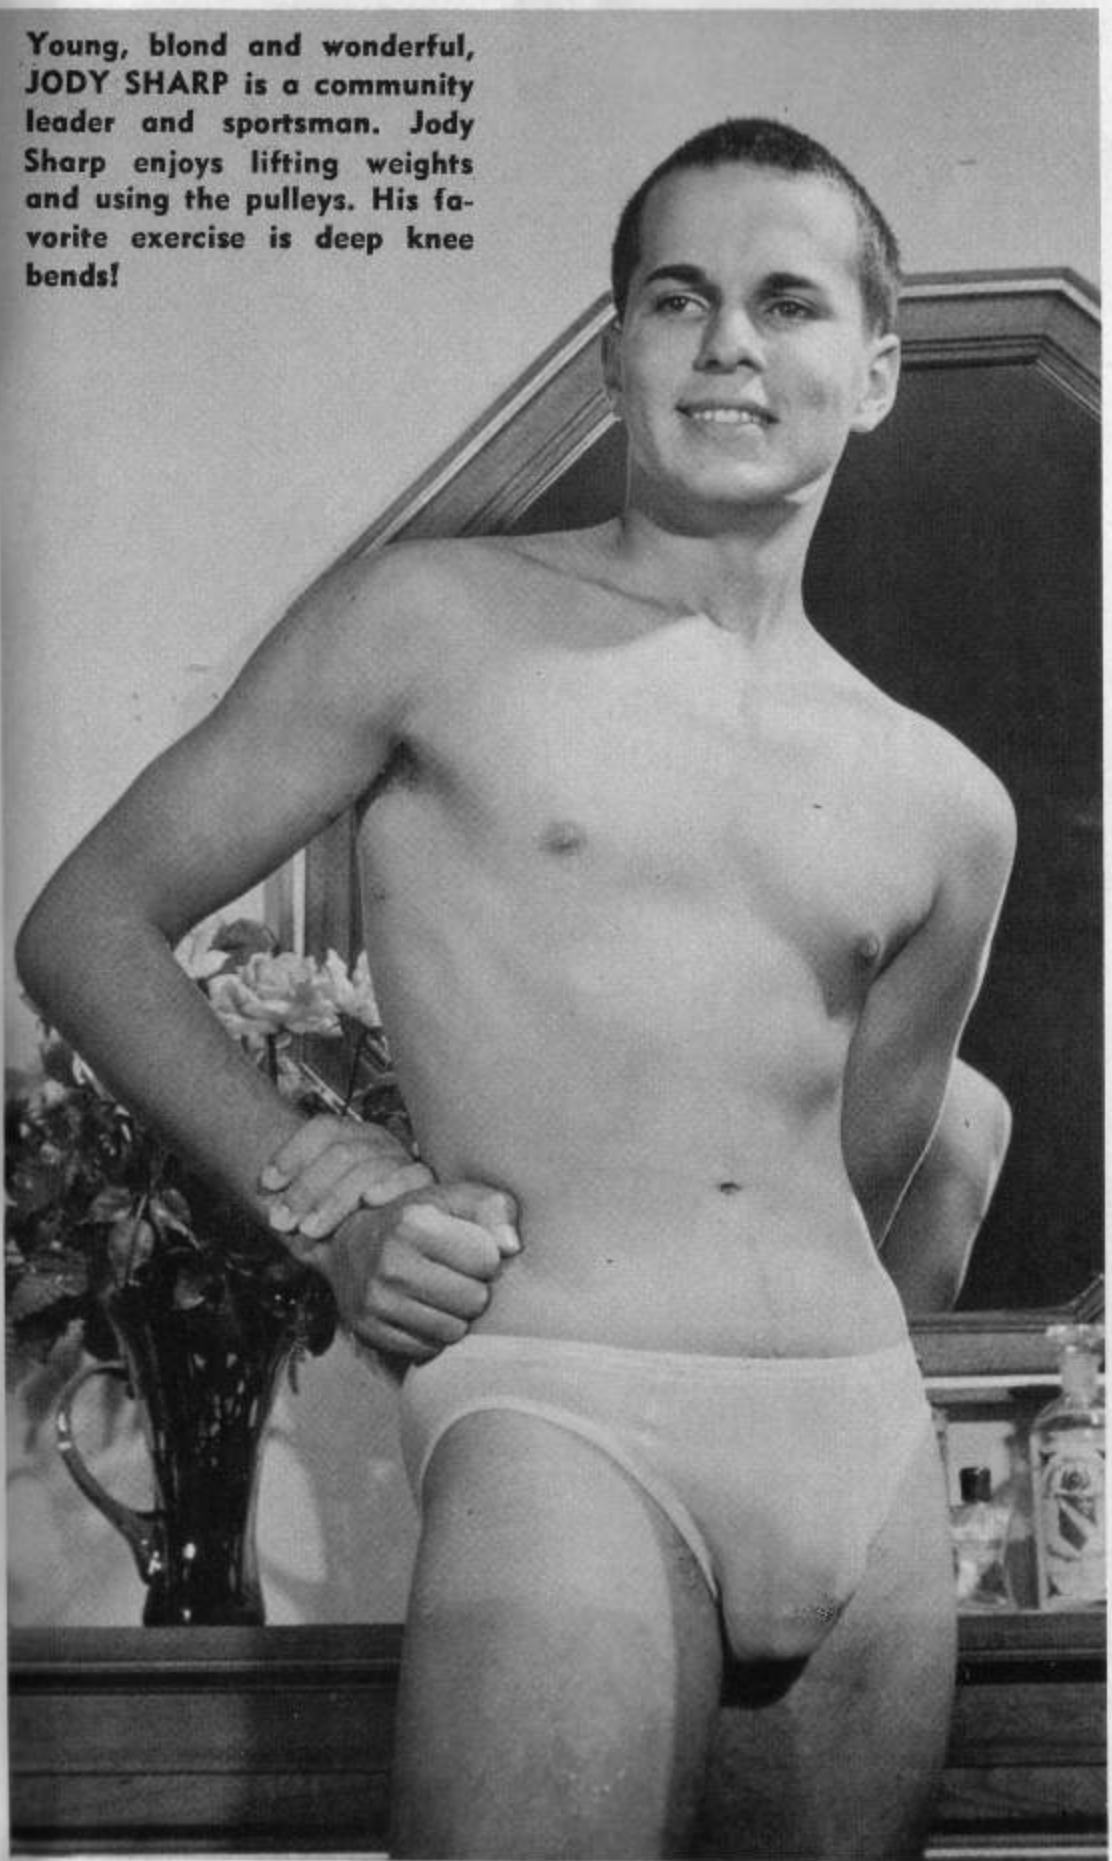
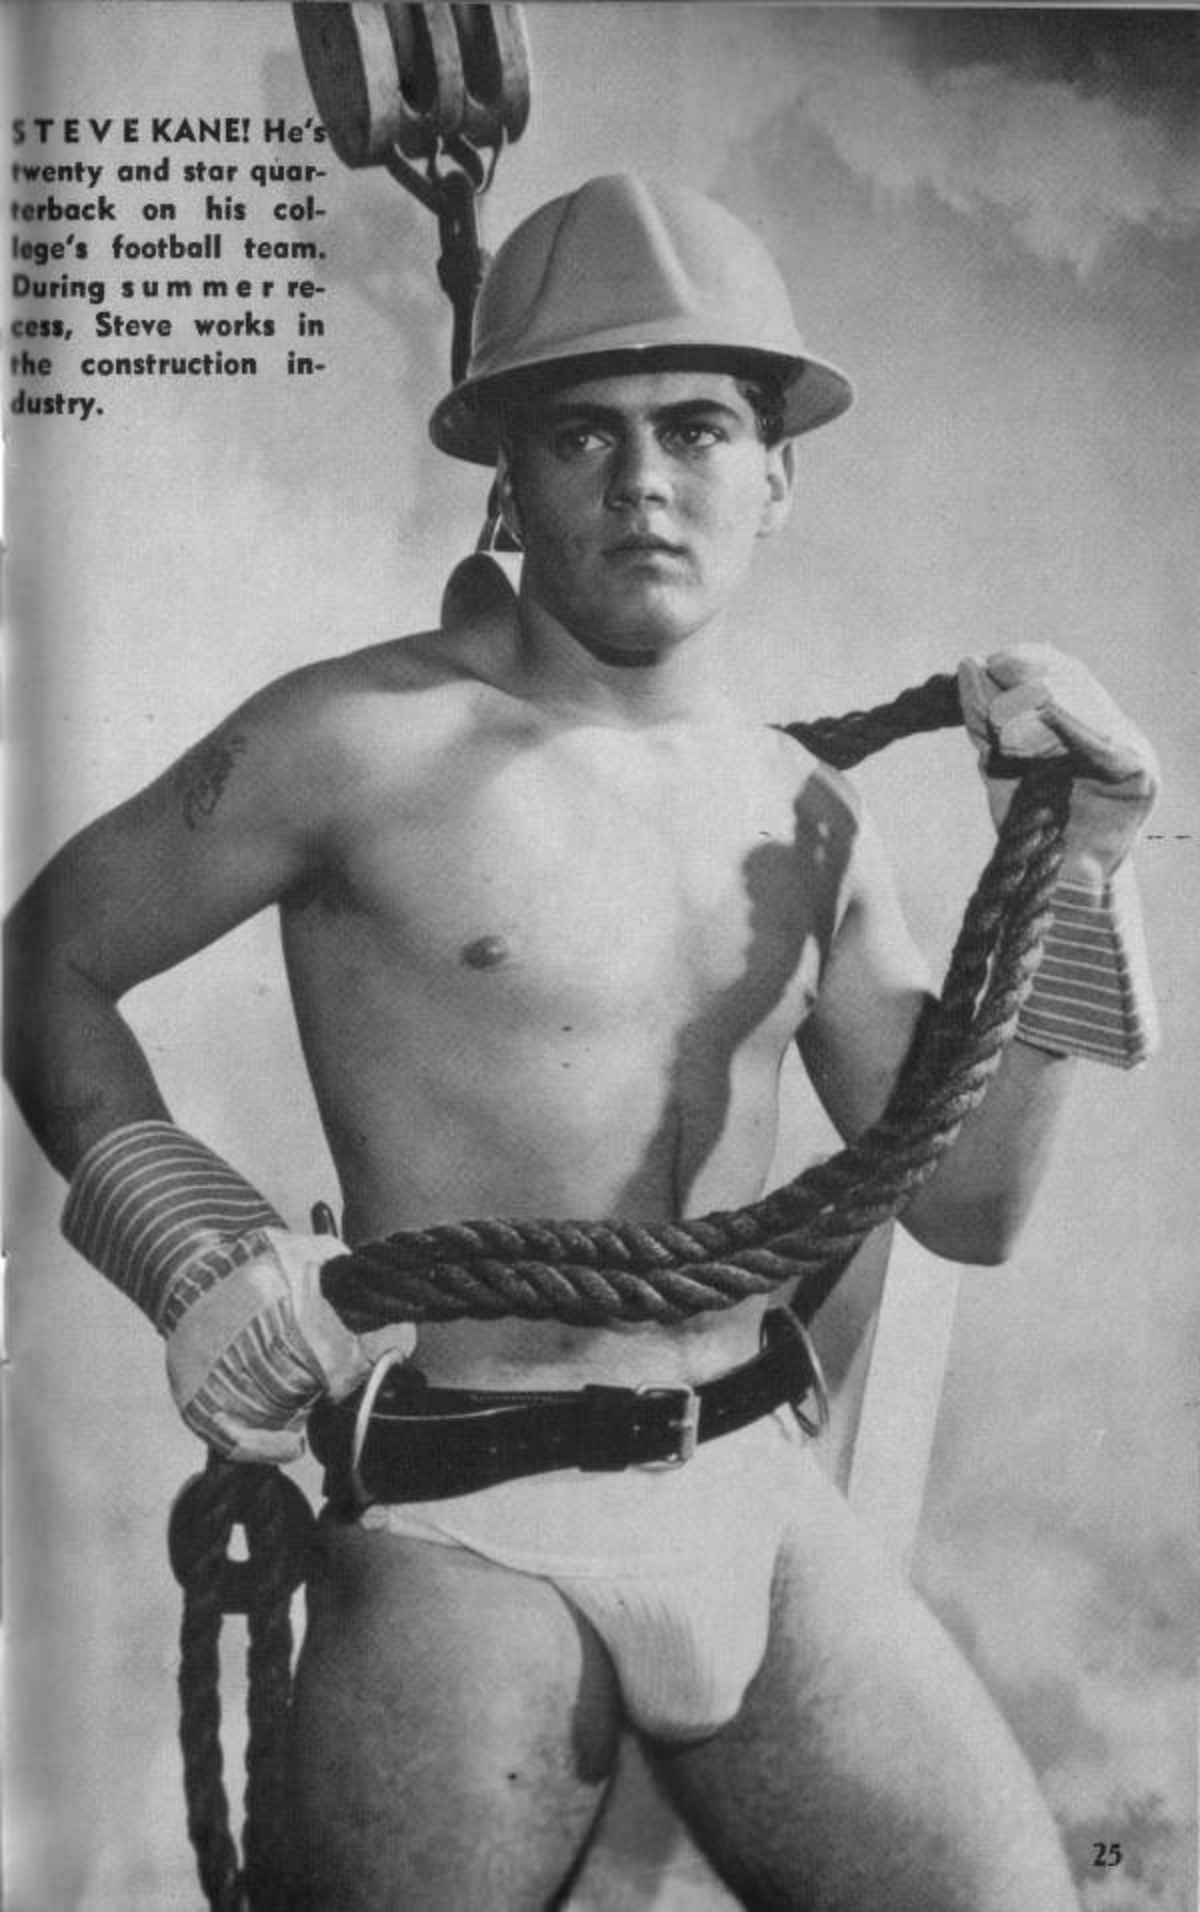
At 21, ROLF BECKER has already a long list of accomplishments. Studying astronomy at a university in Munich, this young German lad is the annual winner at the science fair. Swimming and badminton are Rolf's favorite sports.

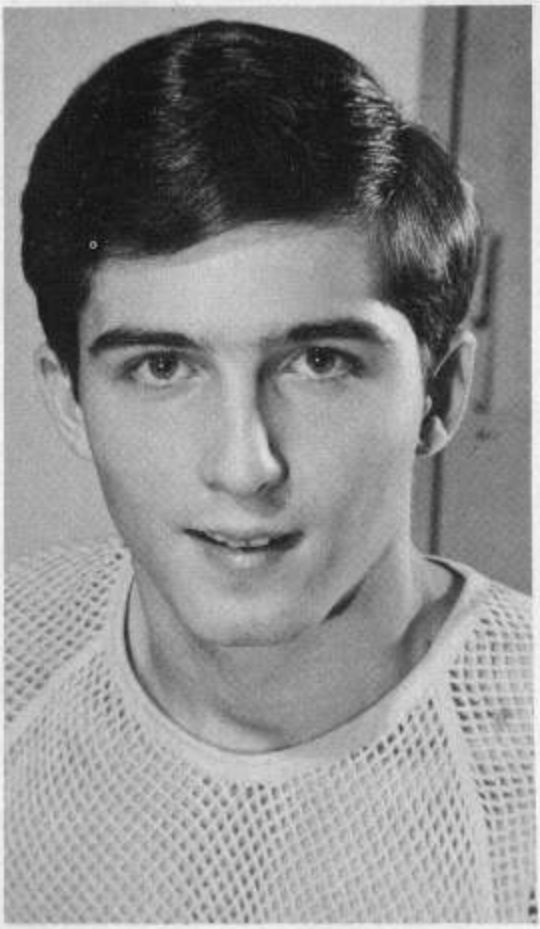
Photos by THEM

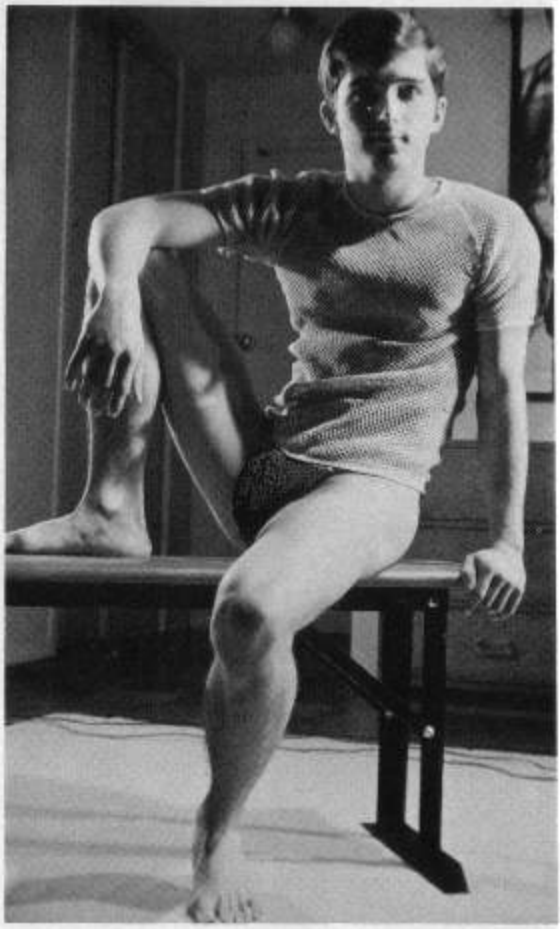


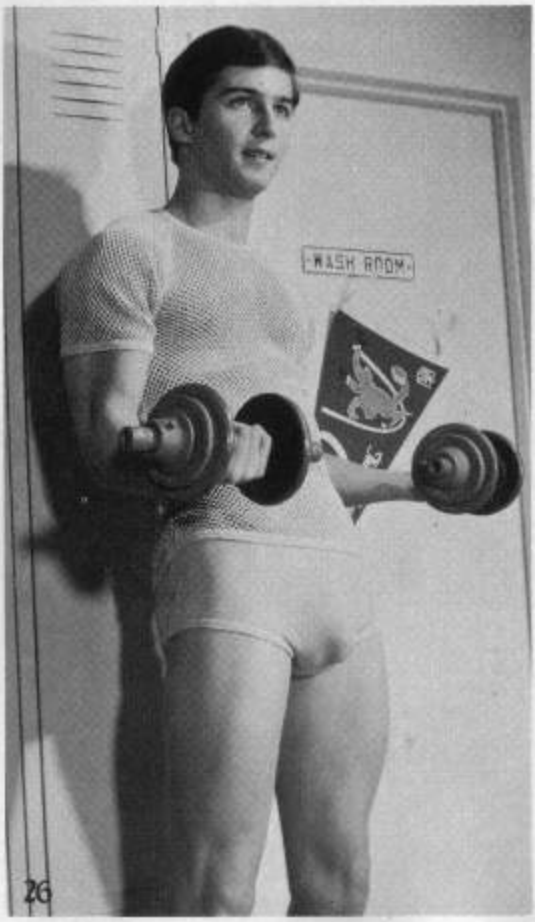
Young, blond and wonderful, JODY SHARP is a community leader and sportsman. Jody Sharp enjoys lifting weights and using the pulleys. His favorite exercise is deep knee bends!



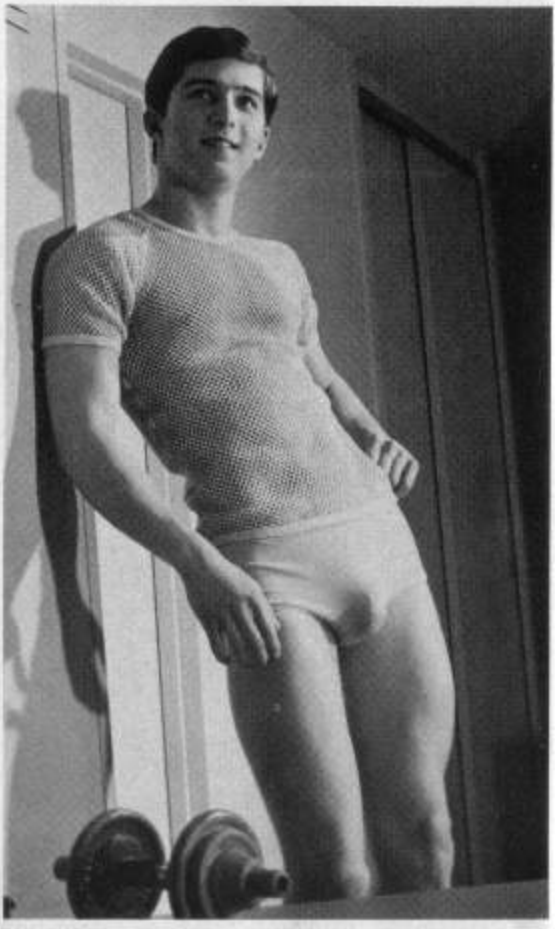
STEVE KANE! He's twenty and star quarterback on his college's football team. During summer recess, Steve works in the construction industry.

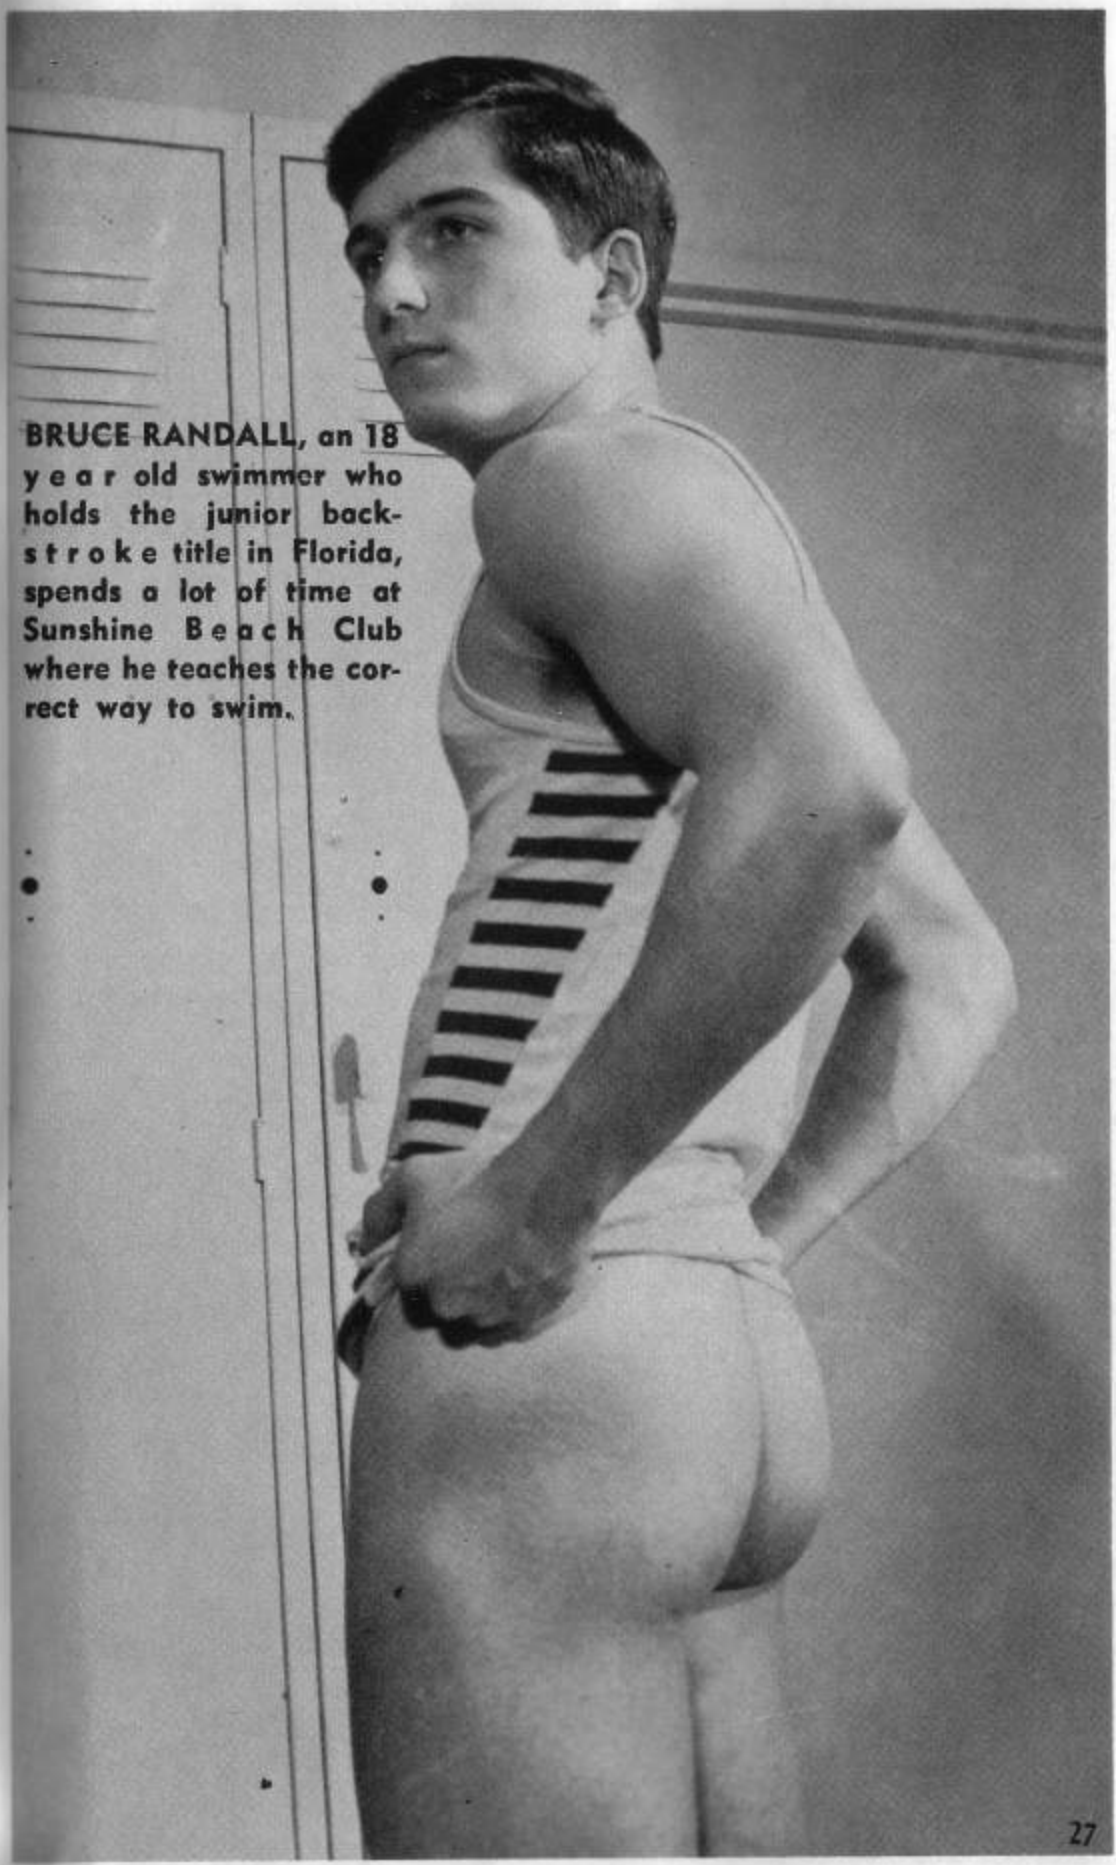




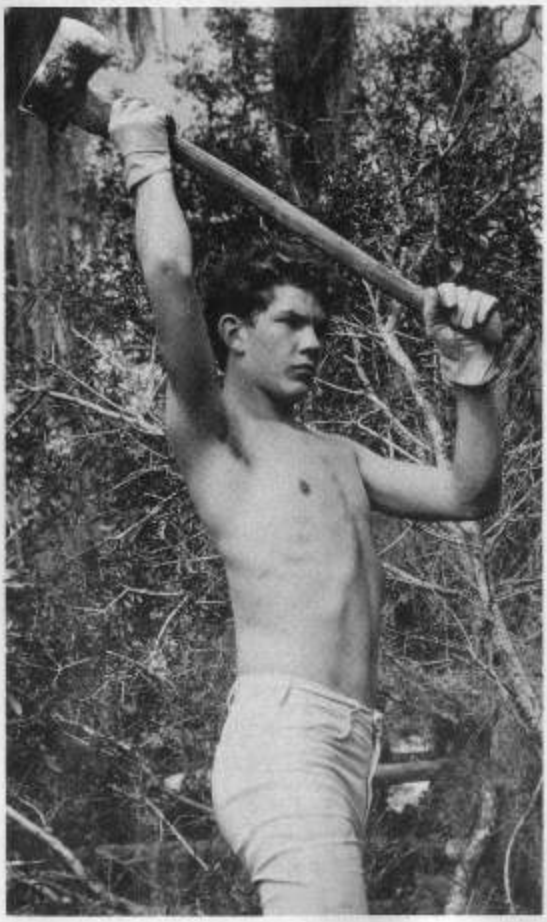


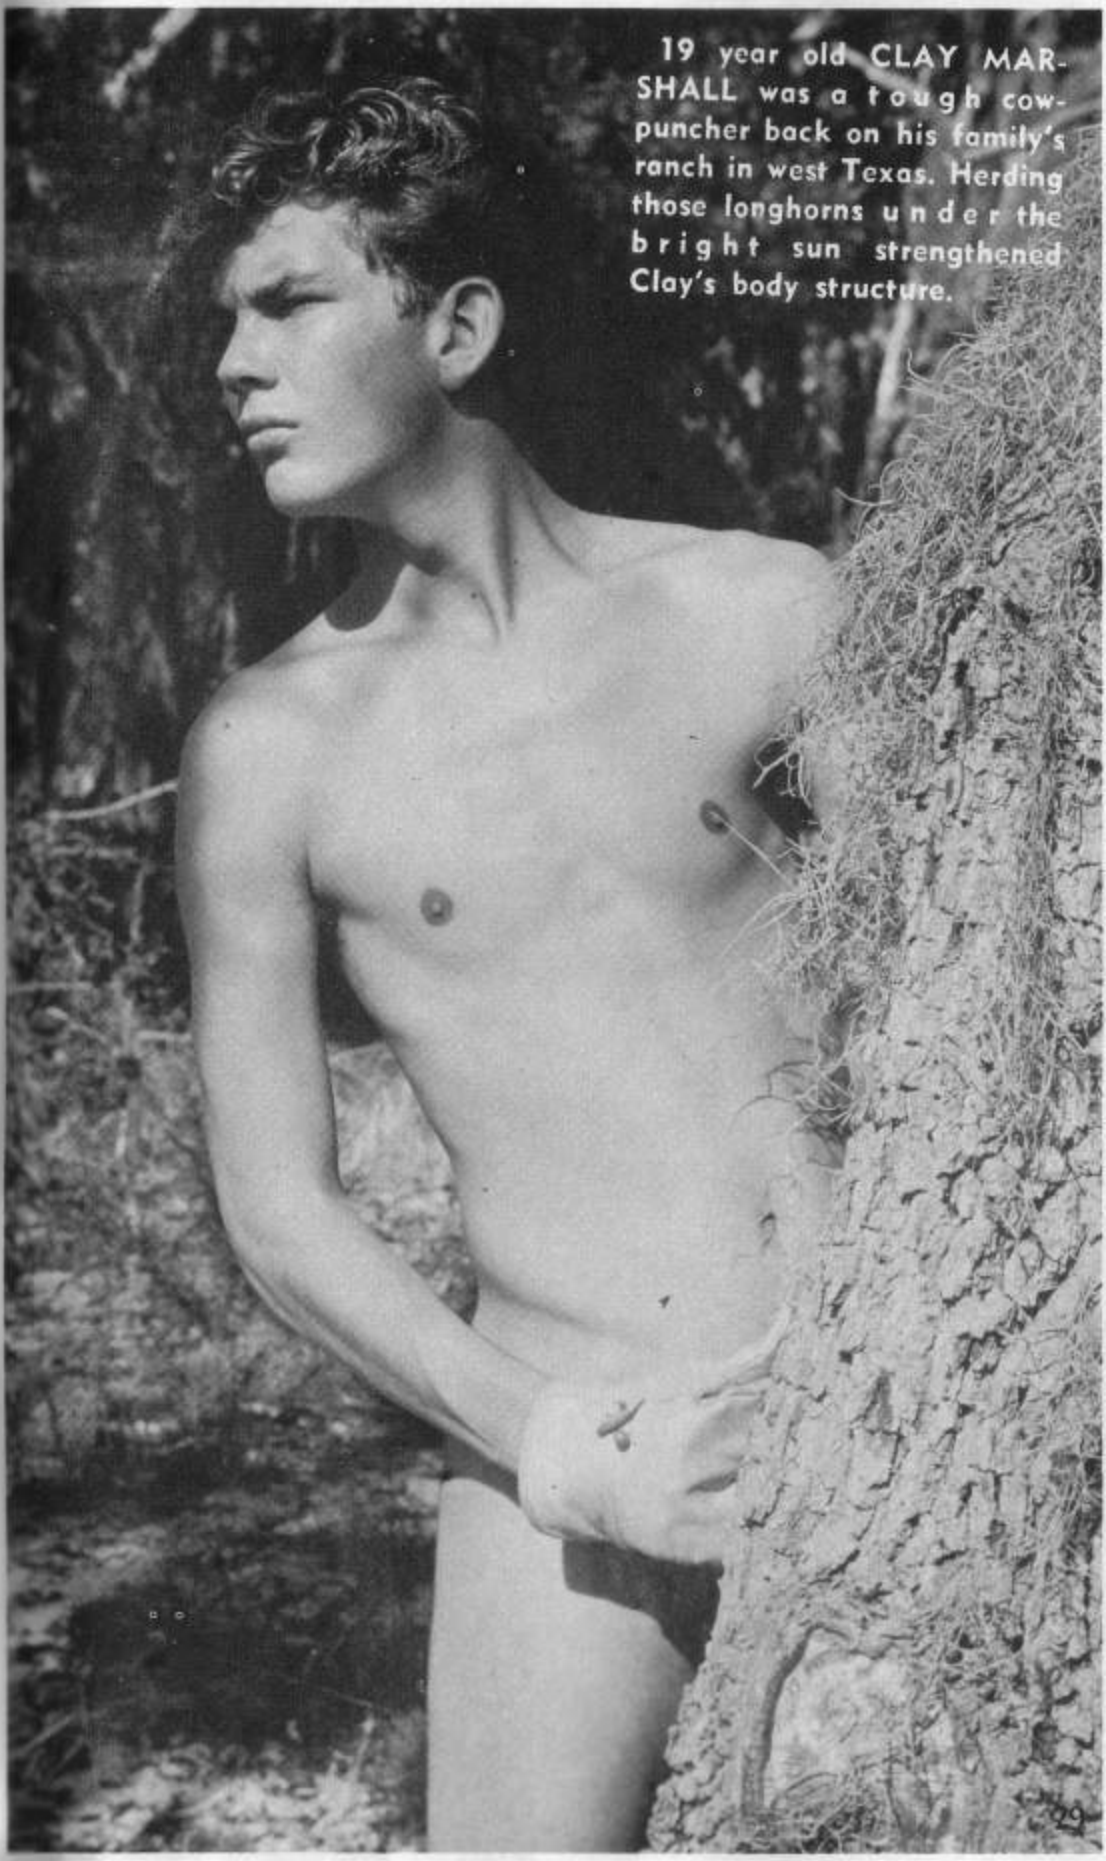
WASH ROOM



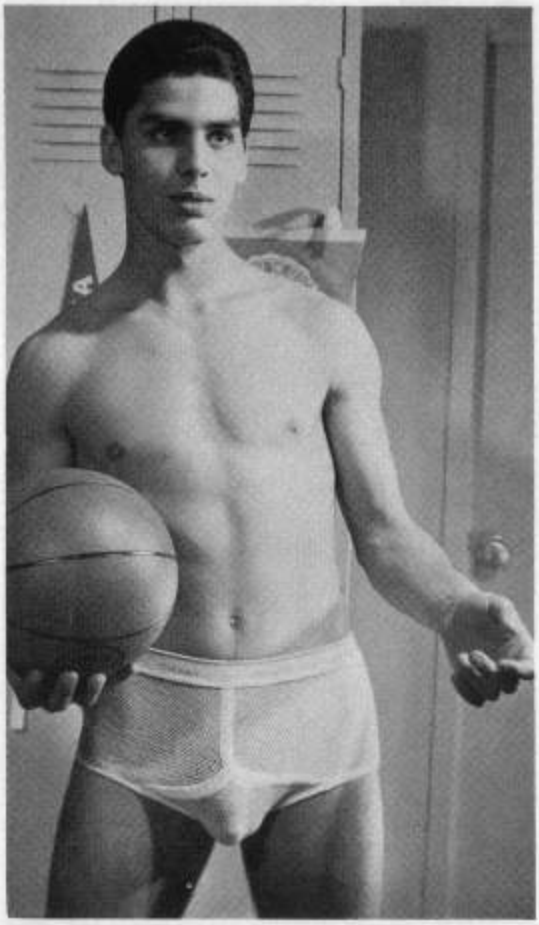


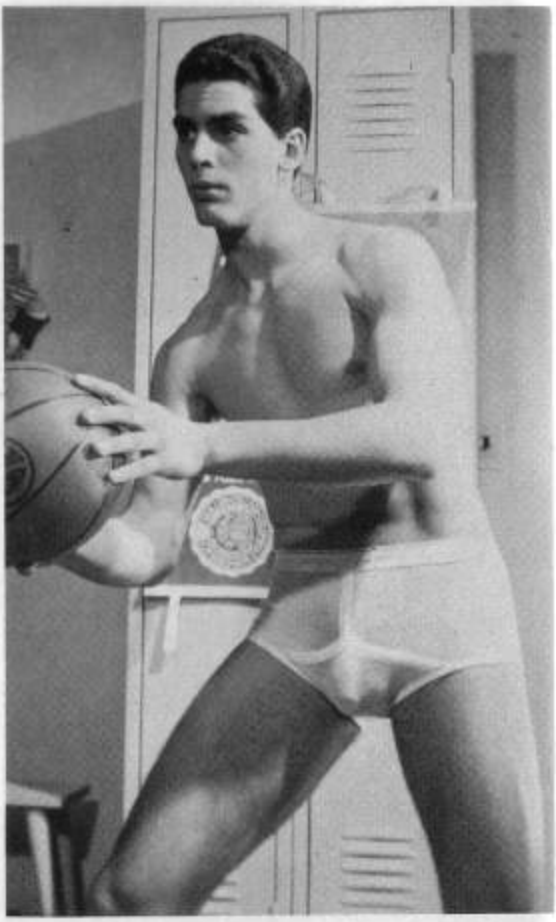
BRUCE RANDALL, an 18 year old swimmer who holds the junior backstroke title in Florida, spends a lot of time at Sunshine Beach Club where he teaches the correct way to swim.

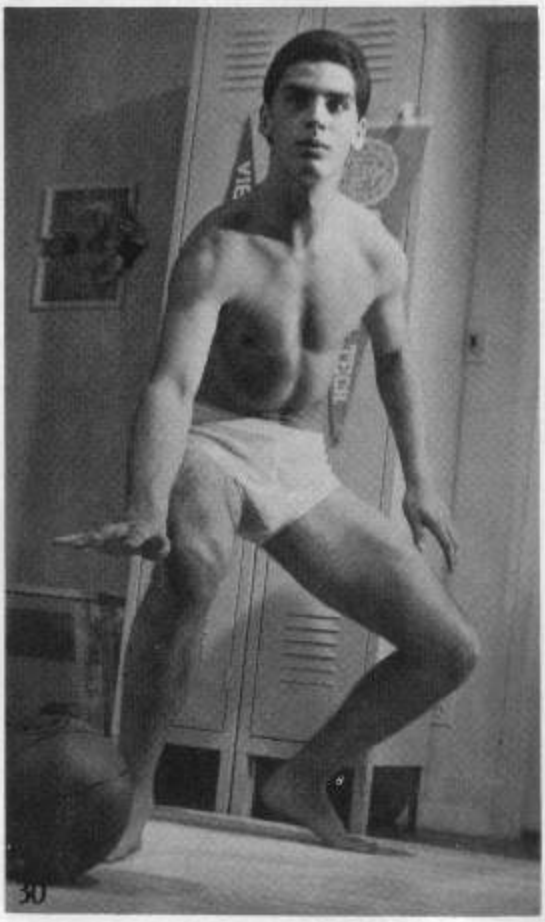


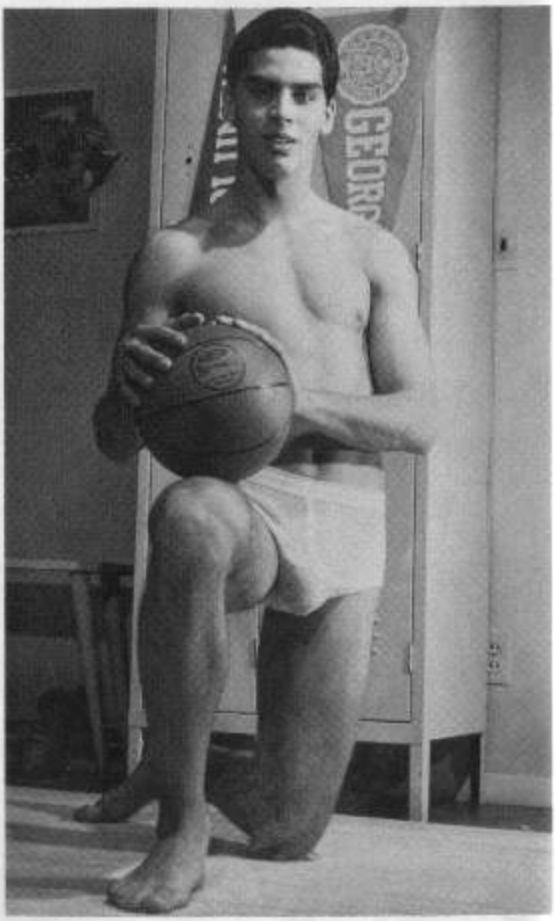


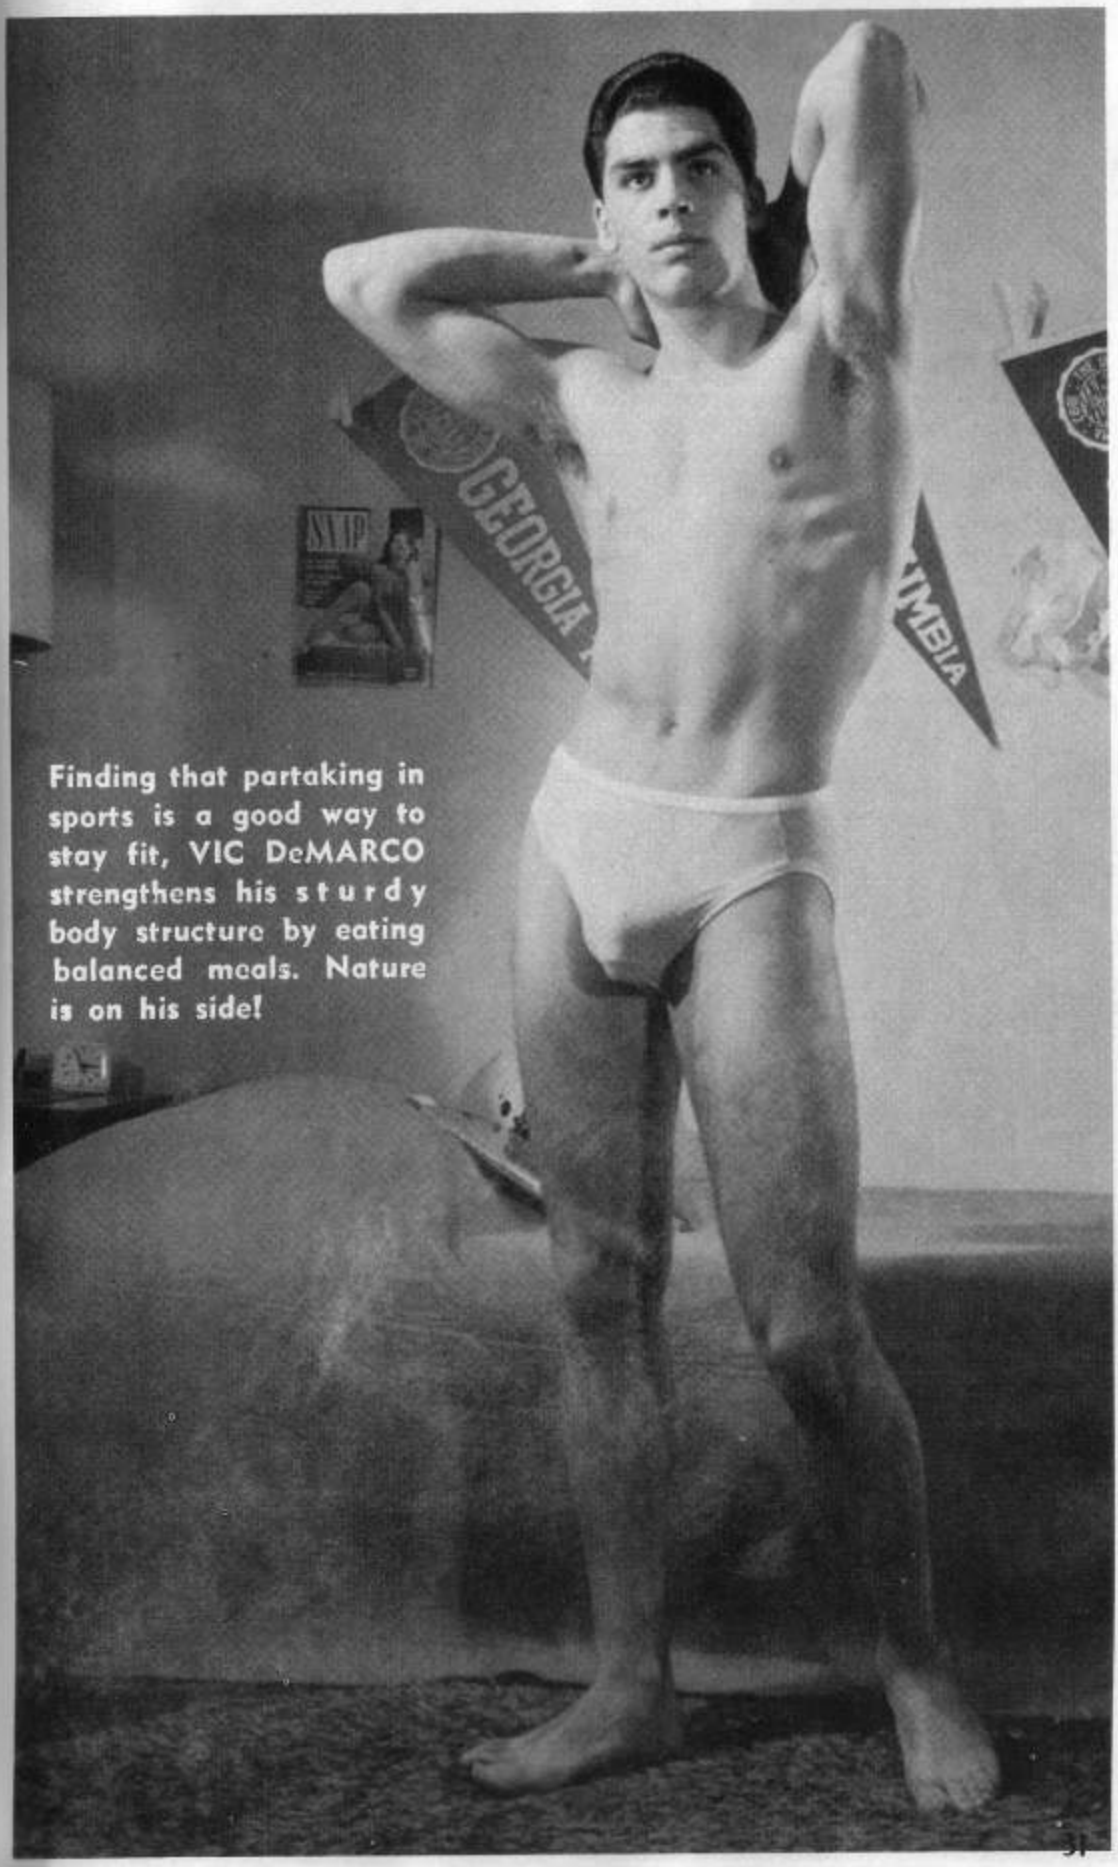
19 year old CLAY MARSHALL was a tough cowpuncher back on his family's ranch in west Texas. Herding those longhorns under the bright sun strengthened Clay's body structure.











Finding that partaking in sports is a good way to stay fit, VIC DeMARCO strengthens his sturdy body structure by eating balanced meals. Nature is on his side!

His buddies in high school all agree that **RITCHIE MARKO** is cut - out for athletics. With his streamline physique, Ritchie excells at all sports. Photos by Champion
